

The Division serves as the state energy office for Georgia and, in this capacity, administers federal grant programs to promote energy efficiency and renewable energy development and to provide energy efficiency / weatherization services for low-income and elderly Georgians. Additionally, the Division collects, analyzes and publishes historic and forward-looking data concerning energy consumption, energy production, energy prices and environmental impacts in Georgia. Finally, the Division provides

1.

Pursuant to O.C.G.A. §§ 50-13-14 and 46-2-59, and Rule 515-2-1-.06 of the Georgia Public Service Commission ("Commission"), the Georgia Environmental Facilities Authority, Division of Energy Resources (hereafter "the Division") hereby gives timely notice of its intent to intervene in the above-captioned dockets and respectfully petitions the Commission for leave to so intervene. In support of this petition, the Division respectfully shows the following:

**NOTICE OF INTENT TO INTERVENE AND APPLICATION
OF GEORGIA ENVIRONMENTAL FACILITIES AUTHORITY, DIVISION OF

STATE OF GEORGIA
BEFORE THE GEORGIA PUBLIC SERVICE COMMISSION

technical assistance to state facilities relating to energy conservation and energy procurement strategies.

2.

The Division business address is:

GEFA, Division of Energy Resources

233 Peachtree Street, NE

Harris Tower, Suite 900

Atlanta, GA 30303

3.

Georgia law directs the Division to provide a number of services consistent with

the subject matter addressed in the abovementioned dockets. The Division's

responsibilities include making recommendations to the Governor concerning actions that

would further energy conservation and management, designing and implementing a

program to encourage energy conservation and efficiency, providing energy consumption

forecast information and supporting the implementation of alternative energy projects.

(O.C.G.A. 50-23-32)

4.

As a result of its statutory mandate relating to energy conservation, energy

efficiency, energy data and alternative energy technologies and projects, the Division has a

clear interest in the outcomes of this proceeding and wishes to intervene. Other parties

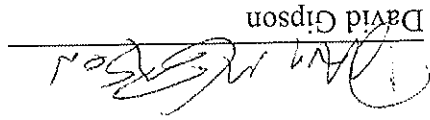

will not adequately represent the interests of the Division because no other party

encompasses the Division's responsibilities and authority. The Division's participation

in this matter will not unduly delay these proceedings or prejudice any other party.

WHEREFORE, the Division respectfully requests that the Commission grant it leave to intervene and admit it as a party of record in this proceeding with all rights attendant thereto.

Respectfully submitted this 7th day of April, 2010.

David Gipson
