Re: Domestic Operator Service Agreement

Dear Sir/Madame:

ILD Corp. ("ILD") is pleased to advise you that it intends for its operator-assisted, enhanced 1+ and global calling card business unit ("Telecom Unit") to join forces with WiMacTel, Inc. ("WMT"). As a result, ILD has plans to transfer to WMT its customer contracts in its Telecom Unit in May or June of this year, at which time WMT will assume all of ILD's rights and obligations under your Agreement and will continue to provide superior performance under such Agreement. You will see very little difference in your services in the transition as: (i) I and other management employees will continue in the business with WMT; (ii) WMT already is the outsource provider for several service offerings, and this will allow it to more comprehensively manage your needs and enhance your services as customer; and (iii) WMT is a leading company for such services.

We provide this notification to you as a courtesy and/or as may be required under the Agreement. Again, we expect little or no changes in your service offerings other than increased capabilities and service offerings available from WMT. I am enthusiastic about future operations under WMT, and I welcome any questions you may have.

Sincerely,

Robin Collins,
