Re: 2022-2028 Capacity Resource RFP
Southern Power Company – Second Revised Bid Team List, Docket No. 42641

Dear Mr. McAlister:

Pursuant to the Georgia Public Service Commission's (the "Commission's") rules regarding the Request for Proposals ("RFP") Procedure for Long-Term Supply-Side Options (the "RFP Rules"), enclosed for filing are the original and five copies of Southern Power Company's ("Southern Power's") Second Revised Bid Team List for use by the Independent Evaluator in the 2022-2028 Capacity Resource RFP to be conducted by Georgia Power Company ("GPC") in Docket No. 42641 (the "2022-28 Capacity Resource RFP").

The Second Revised Bid Team List reflects the addition of 21 new Bid Team members and the removal of one Bid Team member. Each new Bid Team member has reviewed, executed and had notarized a compliance acknowledgement of the Standards of Conduct For Soliciting Entities and their Affiliated During the RFP Process ("RFP Standards of Conduct") (implementing the Commission's RFP Rules §§ 515-3-4-.04(3)(d) 3 through 5) that apply to their RFP-related activities. In addition, each Bid Team member leaving the Bid Team has executed an acknowledgement verifying their compliance with the RFP Standards of Conduct while a member of the Bid Team.

Also enclosed are copies of the executed RFP Standards of Conduct acknowledgements and a CD containing the Second Revised Bid Team List.

If you have any questions or need any additional information, please contact me at (404) 506-5328.

Sincerely,

John L. Pemberton (Sep 9, 2020 09:04 EDT)
