**NORTH AMERICAN POWER AND GAS,
LLC, APPLICATION FOR A NATURAL
GAS CERTIFICATE OF AUTHORITY**

DOCKET # DOCKET NO. 36550

DOCUMENT # 184458

ORDER APPROVING CERTIFICATE WITHDRAWAL AND CANCELLATION

I. Background

On April 23, 2013, the Commission approved North American Power and Gas, LLC ("NAPG" or "Company") for a Natural Gas Certificate of Authority, GM-40. At the request of the Company, on October 8, 2020 under Docket No. 36550, the Georgia Public Service Commission ("Commission") approved the random assignment of its customers. On November 24, 2020, AGL randomly assigned NAPG's remaining customers. Therefore, by the end of December 2020, the Company had no customers in Georgia.

On January 27, 2021, NAPG filed a petition to withdraw and cancel its Natural Gas Certificate of Authority pursuant to Commission Rule 515-7-3-.04(10).

Commission Rule 515-7-3-.04(10) states the follow:

- “(10) Marketers must apply to the Commission to receive authorization prior to any change in ownership, name change (including doing-business-as (d/b/a) name change), adding or dropping a delivery pool group from service, owning meters, or any other substantial change that would affect their certification.”

II. Staff Analysis

The Staff reviewed the NAPG Application, and found no issues. The Staff also consulted with the Commission Consumer Affairs section to determine if there were any outstanding customer issues, and Consumer Affairs stated that NAPG had no outstanding issues. The Staff also contacted Atlanta Gas Light Company (“AGL”) to determine if NAPG had any outstanding issues, and AGL reported that there were no outstanding issues.

On December 22, 2020, in Docket No. 15326, NAPG filed its 2020 Universal Service Fund (“USF”) Unclaimed Customer Deposit Report with the Commission. The dollar amount for unclaimed customer deposits that were over two years old that would be wired to AGL for USF deposit was provided. On January 20, 2021, the Staff verified that the funds were deposited into the USF.

III. Commission Decision

During the February 16, 2021 Administrative Session, the Commission approved the petition of North American Power and Gas, LLC, GM-40, application to withdraw and cancel its Natural Gas Certificate of Authority.
