Please note that in the process of preparing this notice, a Certificate for Jointly Owned Natural Gas in Bleckley County, where Jointly Owned has had a Distribution System for many years and in which Jointly Owned is a Party to the Countywide Safety Plan, could not be found. An Application by Mid-State Energy Commission for a Certificate in Bleckley County consistent with Jointly Owned's current CWSP territory will be submitted soon.

Sincerely,

Wayne James  
General Manager
