RE: Preferred Long Distance, Inc. dba Telplex Communications dba Telplex, 2021 FCC  
8YY Access Reform/47 C.F.R. §51.911 Toll Free Access Rate Compliance

Dear Mr. McAlister:

Pursuant to the Federal Communications Commission's October 9, 2020 *Report and Order* in WC Docket No. 18-156, FCC 20-143, ("8YY R&O") and Section 51.911(c) of the Federal Communications Commission's rules, 47 C.F.R. §51.911(c), Preferred Long Distance, Inc. dba Telplex Communications dba Telplex, ("Telplex") submits to the Georgia Public Service Commission an original and five (5) copies of revised sheets 2, 3, and 41 to its Georgia switched exchange access service price list, Georgia P.S.C. Tariff No. 3.

With this submission, Telplex complies with the 8YY R&O and subsequent orders by bifurcating its originating access rates between toll-free (8YY) and non-toll-free rates and benchmarking its toll-free originating and Toll Free Data Base Access Service to the corresponding interstate terminating access rates for Georgia as set forth in Telplex's interstate F.C.C. Tariff No. 1, effective July 1, 2021, or otherwise upon Commission approval. Telplex's F.C.C. Tariff No. 1 may be viewed at <https://apps.fcc.gov/etfs/public/tariff.action?idTariff=387>.

Thank you for your attention to this matter. Questions concerning may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.

/s/ Andrew O. Isar
