Atlanta Gas Light Company's	§

Supply Plan	§	Docket No. 44319

**APPLICATION FOR LEAVE TO INTERVENE
OF TEXICAN INDUSTRIAL ENERGY MARKETING, LLC**

Texican Industrial Energy Marketing, LLC (“Texican”) files this Application for Leave to Intervene in the above-referenced proceeding (the “Application”) pursuant to O.C.G.A. §§ 46-2-59, and Rule 515-2-1.06 of the Rules of the Georgia Public Service Commission. In support of this Application, Texican states the following:

On April 5, 2022, The Georgia Public Service Commission (the “Commission”) issued a Procedural and Scheduling Order for this matter.

Texican is a natural gas marketing company that provides unregulated energy services to commercial and industrial customers of Atlanta Gas Light. Texican’s services include the procurement of energy supply and the efficient management of energy use.

As a natural gas marketing company, Texican has an interest in this proceeding because it may be substantially affected by decisions made by the Commission in this proceeding. Specifically, Texican and its customers receive distribution services from Atlanta Gas Light Company and will be affected by the Commission’s order in this docket regarding Atlanta Gas Light’s policies and proposed rates. Furthermore, the policies and rates of Atlanta Gas Light impact the way Texican does business and the nature of these policies and rates influences the

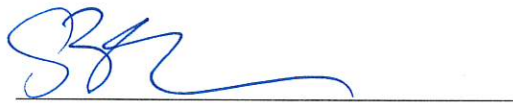

service offerings we can make to our customers. The decisions of the Commission in this proceeding will therefore shape the future services we can provide to our customers in this market.

Because this is a competitive marketplace, no other party, most or all of whom are other gas marketers who have sought leave to intervene or may do so, can adequately represent the interests of Texican in this proceeding. None of the other current or likely parties to this proceeding have interests identical to those of Texican.

Texican's participation in this docket will not unduly delay or prejudice the rights of other parties. Copies of all communications regarding this proceeding should be addressed to Texican as follows, and the following should be placed upon the official service list in this proceeding:
