FINAL ORDER

APPEARANCES:

Georgia Public Service Commission Staff: Janey Chauvet

A1 Contracting, LLC: No appearance

PROCEDURAL HISTORY

On March 3, 2021, the Georgia Public Service Commission ("Commission") conducted an evidentiary hearings in order to hear and receive evidence of an alleged violation of the Georgia Utilities Facility Protection Act ("GUFPA") by the Respondent, A1 Contracting, LLC. No appearance was entered by the Respondent at that hearing. Subsequent to the hearing, the Commission entered an order on September 17, 2021 finding that the Respondent's actions had indeed violated O.C.G.A. §§ 25-9-8(a) Striking, damaging, injuring or loosening any utility facility which has been staked or marked. 25-9-8(b) Failure to exercise reasonable care when excavating or blasting is to take place within the tolerance zone. 25-9-8(e) Failure to notify both the UPC and the affected utility facility owner/operator after a damage occurs.(collectively, the "Violations"). The Commission ordered that the Respondent be assessed a penalty pursuant to O.C.G.A. § 25-9-13(h)(7). A penalty in the amount of $16,000 was ordered and the Respondent was provided an opportunity to mitigate $12,000 of the penalty by completing a Commission approved damage prevention training program (the "Original Civil Penalty").

On December 21, 2021, the Commission issued a Procedural and Scheduling Order to address Respondents failure to have complied with the Commission's Final Orders dated. Specifically, the Commission asserted the following:

1. The Commission has the power and authority to enforce the provisions of O.C.G.A. T46, Ch 2-91.
2. The Commission issued Orders on September 17, 2021, requiring payment of a civil penalty and/or completion of a damage prevention-training program for Respondent committing the Violations. Respondent has neither paid the civil penalty nor completed a damage prevention course, thus violating the terms of the Order issued by the Commission.

A proceeding was held in accordance with O.C.G.A. § 46-2-91 on March 30, 2022.

FINDINGS AND CONCLUSIONS

Based upon the testimony of all witnesses, the documentary evidence at the evidentiary hearing, and an assessment of the credibility of the witnesses and evidence at this proceeding, the Commission hereby makes the following findings of fact and conclusions of law with respect to the issues involved in this case:

Marilyn Morris-Simmons testified in this proceeding on behalf of Commission Staff. Ms. Correa is the assistant to the GUFPA Program Managers for the Commission's Pipeline and Facilities Safety Section and is generally responsible for the delivery of consent agreements, Notice of Hearings, and Final Orders to probable violators of the GUFPA and/or O.C.G.A. § 46-2-91.

During the hearing Staff entered Exhibits 3 and 4 into evidence. Exhibit 3 was a chart that detailed information regarding the Final Order, Notice of Hearing and the date of service for both the Final Order and Notice of Hearing. Exhibit 4 included copies of the Final Order, Notice of Hearing and supporting documents for the date of service for both the Final Order and Notice of Hearing.

On September 17, 2021, the Commission issued a Final Order in this docket finding that the Respondent committed the Violations, and provided Respondent thirty (30) days from the date of the Final Order to pay the Original Civil Penalty.

Ms. Morris-Simmons testified that the Commission's Final Order was mailed to Respondents by regular mail. Per Ms. Morris-Simmons, the regular mail copy of the Final Order was not returned.

Ms. Morris-Simmons testified that as of the date of this proceeding, Respondents had failed to comply with the Order of the Commission in this Docket. Specifically, Respondents had failed to pay the penalty and/or to mitigate a portion thereof through damage prevention training class and further, Respondents had not given any adequate explanation therefor.

Ms. Morris-Simmons testified that Respondents were provided notice of this proceeding by both regular and certified mail. The certified mail receipt and signed return receipt indicating the delivery of the Notice of Hearing and Procedural and Scheduling Order for this proceeding were entered into evidence as part of Staff Exhibit #4. Per Ms. Morris-Simmons, the regular mail copy of the Notice of Hearing was not returned.

As of the date of this proceeding, Respondents had not given any adequate explanation for having failed to comply with the Commission's Final Order of September 17, 2021.

Based upon the facts and circumstances presented in this case, and in accordance with O.C.G.A. § 46-2-91(b), the Commission finds that Respondents have failed to comply with a lawful Order of this Commission.

PENALTIES

Pursuant to O.C.G.A. § 46-2-91(a), the Commission has authority to impose a civil penalty not exceeding $15,000.00 for such violation of a Commission Order and an additional penalty not to exceed $10,000 for each day during which such violation continues. The Commission concludes that it is appropriate to impose a civil penalty against Respondents in the amount of **fifteen thousand dollars ($15,000)** for violation of O.C.G.A. § 46-2-91(a). This penalty is *in addition to* the Original Civil Penalty.

WHEREFORE IT IS ORDERED, that pursuant to O.C.G.A. § 46-2-91(a) The Commission concludes that it is appropriate to impose a civil penalty against Respondents in the amount of **fifteen thousand dollars ($15,000)** for violation of O.C.G.A. § 46-2-91(a). Respondents shall pay such civil penalty to the Commission, in certified funds, within thirty (30) days from the date of this Order.

ORDERED FURTHER, this penalty is *in addition to* those penalties already assessed by previous Commission Orders in this Docket.

ORDERED FURTHER, all findings, conclusions, and decisions contained within the preceding sections of this Order are hereby adopted as findings of fact, conclusions of law, and decisions of regulatory policy of this Commission.

ORDERED FURTHER, any motion for reconsideration, rehearing or oral argument, or any other motion shall not stay the effective date of this Order, unless otherwise ordered by this Commission.

ORDERED FURTHER, jurisdiction over this matter is expressly retained for the purpose of entering such further Order or Orders as this Commission may deem just and proper.

The above by action of the Commission in Administrative Session on the 5th day of July, 2022.

FINAL ORDER

APPEARANCES:

Georgia Public Service Commission Staff: Alexander C. Davis

A1 Contracting, L.L.C.: No appearance

PROCEDURAL HISTORY

On July 12, 2019, while working at 1665 Hudson Bridge Road, Stockbridge, and on August 1, 2019, while working at 3110 Hwy 278 NW, Covington, **A1 Contracting, L.L.C.** ("Respondent") caused damage to a utility facility while using mechanized equipment. Following its investigation of this incident, Commission Staff determined that the Respondent was in violation of O.C.G.A. §§ 25-9-8(a), 25-9-8(b) and 25-9-8(e) (the "Violations") and recommended, through Consent Agreement, that Respondent be assessed a $15,000 civil penalty with the ability to mitigate $12,000 by completing a Commission approved damage prevention training program.

On August 18, 2020, the Commission issued a Notice of Hearing and Procedural and Scheduling Order. Respondent was advised that a hearing would be held for the purpose of hearing evidence regarding the Violations and that, if proven, such Violations may result in the imposition of a civil penalty as provided by law.

On March 3, 2021, a hearing was conducted in this Docket, at which time the Commission's Hearing Officer heard testimony from Staff witnesses. Staff entered two exhibits into evidence. Exhibit 1 was a chart that detailed information regarding: the incident date and location, violation cited, terms of Consent Agreement, date of service for both Consent Agreement and Notice of Hearing, and status of certified mail return receipt for Notice of Hearing. Exhibit 2

included copies of: The Notice of Probable Violation, Incident Investigation Report, Consent Agreement, Notice of Hearing and Procedural and Scheduling Order, Certified Mail Return Receipt and other supporting documentation. At the hearing, several issues were presented for determination, including whether Respondent committed the Violations and whether the Respondent should be penalized pursuant to O.C.G.A § 25-9-13(h)(7) in an amount of up to $10,000.00 for each violation. While Respondent initially responded to attempts to settle, they failed to appear for the hearing.

FINDINGS AND CONCLUSIONS

Staff witnesses Onterio Johnson and Marilyn Morris-Simmons testified at the proceeding. Mr. Johnson is a Commission GUFPA investigator and is generally responsible for investigating notices of probable violation of the Act. Ms. Morris-Simmons is the assistant to the GUFPA Program and Assistant Program Managers, and is generally responsible for the delivery of consent agreements, Notice of Hearings, and Final Orders to probable violators of GUFPA and O.C.G.A. § 46-2-91. Mr. Johnson submitted a detailed copy of his report of the investigation. Based on the probable violation damage reports filed by the utility and upon further investigation into the matter, Mr. Johnson determined that:

1. Respondent struck, injured, or loosened any utility facility which had been staked or marked in violation of O.C.G.A. § 25-9-8(a);
2. Respondent failed to exercise reasonable care when excavating or blasting is to take place within the tolerance zone in violation of O.C.G.A. § 25-9-8(b); and
3. Respondent failed to notify both the UPC and the affected facility owner/operator after a damage occurs in violation of O.C.G.A. § 25-9-8(e).

Based upon the facts and circumstances presented in this case, the Commission finds that Respondent committed the Violations.

PENALTIES

Pursuant to O.C.G.A. § 25-9-13(h)(7), the Commission has the authority to impose a civil penalty not exceeding $10,000.00 for each violation of the Act, if it is proven that any person violated any provision of the Act as a result of a failure to exercise reasonable care.

WHEREFORE IT IS ORDERED, that pursuant to O.C.G.A § 25-9-13(h)(7), a civil penalty in the amount of **$16,000** be imposed against Respondent for failure to exercise reasonable care when excavating with mechanized equipment in violation of O.C.G.A. §§ 25-9-8(a), 25-9-8(b) and 25-9-8(e). Respondent shall pay such civil penalty to the Commission, in certified funds, within thirty (30) days from the date of this Order.

ORDERED FURTHER, that Respondent may mitigate $12,000 of the civil penalty ordered in this case by a minimum of five (5) employees completing a Commission-approved damage prevention training course within forty-five (45) days from the date of this Order.

ORDERED FURTHER, that all findings, conclusions and decisions contained within the preceding sections of this Order are hereby adopted as findings of fact, conclusions of law, and decisions of regulatory policy of this Commission.

ORDERED FURTHER, that any motion for reconsideration, rehearing or oral argument or any other motion shall not stay the effective date of this Order, unless otherwise ordered by this Commission.

ORDERED FURTHER, that jurisdiction over this matter is expressly retained for the purpose of entering such further Order or Orders as this Commission may deem just and proper.

The above by action of the Commission in Administrative Session on the 7th day of September 2021.

SYNOPSIS

According to a submitted report of probable violation, A1 Contracting, L.L.C. was excavating at 1665 Hudson Bridge Road, Cumming, Georgia on July 12, 2019. Atlanta Gas Light, reported this incident because A1 Contracting, L.L.C. struck and damaged a marked gas service facility and failed to exercise reasonable care while excavating within tolerance zone.

INVESTIGATION:

Staff from the Facilities Protection Unit of the Georgia Public Service Commission received a notification of probable violation from Atlanta Gas Light regarding the damage that occurred at 1665 Hudson Bridge Road, Cumming, Georgia on July 12, 2019. The submitted Atlanta Gas Light damage report indicates A1 Contracting, L.L.C., caused damage to a 1 ¼" plastic gas service line. According to the report, the contractor was installing a sewer main and while excavating with a backhoe, the contractor struck and damaged a marked buried gas service facility. This incident was reported as a violation of OCGA 25-9-8(a) Striking, damaging, injuring or loosening any utility facility which has been staked or marked. OCGA 25-9-8(b) Failure to exercise reasonable care when excavating or blasting is to take place within the tolerance zone. OCGA 25-9-8(e) Failure to notify both Georgia (811) and the affected utility facility owner/operator after a damage occurs.
Staff conducted a search of the Georgia (811) locate request database and was able to find a valid large project locate ticket present. According to the (811) positive response database, the gas service was marked prior to the incident. Staff was unable to find a valid damage ticket covering incident date and address. Damage at incident location coincides with the damage report submitted by Atlanta Gas Light. Thus far, based on this initial information submitted by Atlanta Gas Light; GUFPA staff finds A1 Contracting, L.L.C., in violation.

CONCLUSION:

The Pipeline/Facilities Safety Staff found **A1 Contracting, L.L.C.** in violation of:

O.C.G.A. Violations

25-9-8(a) Striking, damaging, injuring or loosening any utility facility which has been staked or marked.

25-9-8(b) Failure to exercise reasonable care when excavating or blasting is to take place within the tolerance zone.

25-9-8(e) Failure to notify both the UPC and the affected utility facility owner/operator after a damage occurs

This investigation is pending the excavator's (your) response. If no response is submitted, staff will proceed to hearing based solely on the information submitted by the facility owner.

Note: The information you provide will not close the case, it will assist the investigator in his/her investigation to arrive at a more informed conclusion.
