Application of the Southern Alliance for Clean Energy for Leave to Intervene

COMES NOW the Southern Alliance for Clean Energy (hereafter "SACE"), pursuant to O.C.G.A. §§ 50-13-14 and 46-2-59, the Commission's Utility Rule 515-2-1.06 and the Commission's Procedural and Scheduling Order approved on September 20, 2022, hereby files its Application to Intervene (hereafter "Application") in the above-referenced docket. In support thereof, SACE respectfully shows as follows:

1.

SACE is a nonprofit Tennessee corporation whose members include individuals and businesses in the State of Georgia, and whose purposes include education and research concerning the environment, public health and economic impacts of energy use and policy in the Southeast. SACE's purposes also include advocacy for energy planning, policies and systems that best serve the environment, public health and economic interests of communities in the Southeast.

2.

SACE has an office and staff in Atlanta, and its members are located throughout the State of Georgia and include ratepayers of Georgia Power Company.

3.

The rights and interests of SACE and its members will be substantially affected by decisions made by the Commission in this docket. The Commission's actions in these proceedings will affect the planning and operation of Georgia Power Company's supply and distribution system, and directly impact the amount SACE members pay on their electric bills now and possibly for the next 60 years.

4.

SACE's participation in this docket will not unduly delay or prejudice the rights of other parties.

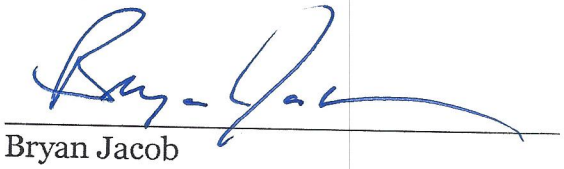

5.

All notices, correspondence and copies of orders and other materials should be addressed to the following and the following should be placed on the official service list in this proceeding.
