GEORGIA POWER COMPANY
DOCKET NO. 44280
Georgia Power Company's 2022 Rate Case

Data Request No. STF-LA-12-1

BASIS FOR THE ASSERTION THAT THE INFORMATION SUBMITTED IS A TRADE SECRET

As part of Georgia Power Company's 2022 Rate Case filed in Docket No. 44280 ("2022 Rate Case"), Georgia Power Company ("Georgia Power" or the "Company") submits to the Georgia Public Service Commission its response to STF-LA-12-1 ("Response"). In the Response, the Company has provided certain monthly data pertaining to its operations that derives economic value from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use (the "Information"). All such Information constitutes trade secret information of Southern Company, Georgia Power, and its affiliates and is therefore protected from public disclosure under Commission Rule 515-3-1-.11.

The Information includes non-public financial information regarding the Company's wireless colocation program. If the Company's competitors had access to the Information, the Company would be placed at an economic disadvantage. Disclosure of such Information would give competitors of the Company in-depth insight into the financial position of the Company regarding the colocation program and could undermine the Company's competitive position, thereby harming the Company and its customers. Furthermore, the Information contains material non-public financial data that could be used by others to artificially affect the Company's share price or could trigger a filing with the U.S. Securities and Exchange Commission. Failure to properly disclose such material non-public financial information could expose the Company to liability under securities laws. Competitors are not required to disclose similar customer information and to require Georgia Power to do so would put it at an economic disadvantage.

The Information is subject to substantial procedures to maintain its secrecy. Only select Georgia Power and Southern Company Services personnel are granted access to the Information. Those personnel receive access only on a "need to know" basis. Parties outside the Company who have been granted access to the Information, if any, have been required to sign confidentiality agreements with respect to the Information.
