STF-LA-3-1

Question:

Identify the Energy Direct Standard Package revenue by account for each period (1) 2021, (2) 12 months ending June 30, 2022 actual, (3) projected for each year 2021 through 2025.

Response:

The Company provides all business customers access to the Energy Direct Standard Package at no charge. Through the Energy Direct platform, the Company also provides enhanced energy usage packages to customers for a monthly subscription fee (Standard Plus, Premium, Premium Plus, Premium RT). Because the Standard Package is available at no charge, there are no revenues associated with this subscription level.
