GEORGIA POWER COMPANY
Docket No. 44280
Georgia Power Company's 2022 Rate Case
Staff Data Request No. STF-LA-2

STF-LA-2-56

Question:

Please provide all expenses included in the above-the-line for each forecasted calendar year, 2022 through 2025, related to financial services rendered to the Company's top executives, and the top executives of the parent company and affiliates such as SCS and SNOC, such as for financial planning, estate planning, investment advice, tax planning and preparation, etc. Show the total amounts for each executive and also show the amounts allocated to Georgia Power Company and the expenses for Georgia Power Company by account.

Response:

The Executive Financial Planning Program is available for exempt grade level 10 and above employees. The program is budgeted as a component within Miscellaneous Benefits at the Company level, but not specifically broken out for individual positions. The budget is held flat with no escalation for future years.
