RE: Docket No. 44280 Georgia Power Company's 2022 Rate Case

Please find attached the errata to the direct testimony of Rob Trokey and Ralph Smith. In accordance with the April 22, 2022, Procedural and Scheduling Order Staff believes that due to the complexity of the case, a number of data requests being provided after the testimony filing date, and witness Ralph Smith being unexpectedly called to testify last week in a proceeding in Virginia that Staff can show good cause for filing this errata less than five days before the hearing.

Sincerely,

Preston Thomas
Attorney
