Response To: Methane Emission Plan Inspection # AT22-036
Docket #44584

Ms. Thebert,

I am in receipt of the above referenced notice filed October 4, 2022. We are in the process of addressing the deficiency noted during the inspection. We have engaged with Southeastern Engineering firm to incorporate the updates to the operations and maintenance plan required in sections 60108(a)(2) and §192.603(c). We expect to have this work completed by December 31, 2022.

Please also see the attached Operator Response Form.

Sincerely,

Tiffany Van Horn
