GEORGIA POWER COMPANY
Docket No. 29849
Staff Data Request No. STF-236

STF-236-1

Question

Please refer to the table below. For each under the Condition Report (CR) under the 'Condition Report Reference Number' column please provide the entire report with all attachments, addendum, photos, etc… In addition, please provide all follow-up documentation caused by each CR. This includes, but is not limited to, CAP items, Engineering Service Requests, Any Reports, Evaluations, Causal Analyses, Root Causes, revisions to Work Packages, Technical Evaluations, Technical Exceptions, etc… For each document, if an additional document(s) is referenced therein, provide that document(s). For example, CR50155879 contains CAR 80007760, therefore include the full CAR document in the response; CR50150989 contains CR50092694, CR50093701, CR50098597, and CR50103425, therefore include the full CR documents with this response.

Please consider this a standing data request until each item has been satisfactorily closed.

Description	Condition Report Reference Number
Trending	50156085
