DOCKET NO. 43107

IN RE: GEORGIA POWER COMPANY'S RENEWABLE ENERGY DEVELOPMENT INITIATIVE CUSTOMER-SITED II PROGRAM

ORDER APPROVING FIFTH GROUP OF POWER PURCHASE AGREEMENTS

On September 3, 2020, the Georgia Public Service Commission ("Commission") approved Georgia Power Company's ("Georgia Power" or "Company") Renewable Energy Development Initiative ("REDI") Customer-Sited ("CS") II Distributed Generation ("DG") Program documents, as modified by Staff's recommendation, in Docket No. 43107. As approved by the Commission, the REDI CS II Program was designed to procure a portfolio of DG solar photovoltaic resources sized greater than one kilowatt but not more than three megawatts ("MW") with terms of 10, 15, 20, 25 or 30 years through an application process.

Georgia Power and its counterparties have executed the fifth REDI CS II power purchase agreement ("PPA"), the effectiveness of which is subject to the Commission's approval. On November 7, 2022, Georgia Power filed its fifth request which included Attachment 1, a spreadsheet that included project-specific information for the PPA counterparty and facility. The terms and conditions of the PPA are pro forma and incorporate the modifications that the Commission approved on September 3, 2020. In its filing, Georgia Power requested that the REDI CS II PPA be deemed certified because the need for this new resource is sourced from a need

identified in the Commission's Order Adopting Stipulation as Amended in Docket No. 42310 ("Final IRP Order") regarding Georgia Power's 2019 Integrated Resource Plan.

Commission Staff ("Staff") reviewed and recommended approval of the Company's request that the fifth REDI CS II PPA be deemed certified. The Commission approved Staff's recommendation at the November 17, 2022 Administrative Session.

WHEREFORE IT IS ORDERED that the Power Purchase Agreement listed in Attachment 1 of Georgia Power Company's November 7, 2022 filing is hereby approved and deemed certified.

ORDERED FURTHER, that all findings, conclusions, statements, and directives made by the Commission and contained in the foregoing sections of this Order are hereby adopted as findings of fact, conclusions of law, statements of regulatory policy, and orders of this Commission.

ORDERED FURTHER, that a motion for reconsideration, rehearing, or oral argument or any other motion shall not stay the effective date of this Order, unless otherwise ordered by the Commission.

ORDERED FURTHER, that jurisdiction over this matter is expressly retained for the purpose of entering such further Order or Orders as this Commission may deem just and proper.

The above by action of the Commission in Administrative Session on the 17th day of November, 2022.
