RE: Review of Expenditures Pursuant to Georgia Power Company's Certificate of Public Convenience and Necessity for Plant Vogtle Units 3 and 4, Twenty-seventh Semi-annual Construction Monitoring Report; Docket No. 29849

Dear Ms. Tanner:

On October 27, 2022, Georgia Power Company ("Georgia Power") filed the direct testimony of the panel of David L. McKinney and Jeremiah C. Haswell and the direct testimony of the panel of Stephen E. Kuczynski and John B. Williams. Because many of the issues overlap, and to avoid duplication of cross examination and provide for administrative efficiency, Georgia Power requests permission to combine the witnesses for purposes of their direct testimony at the December 6, 2022 hearing. I am authorized to report that PIA Staff has no objection to this request.

Please call me at (404) 885-3475 if you have any questions.

Sincerely,

Steven J. Hewitson
