RE: Docket No. 36946 – Eligible Telecommunications Carrier Repository
Docket – Assurance's request for extension of time to file 3rd Quarter Customer Deactivation Report

Dear Ms. Tanner:

In accordance with the Georgia Public Service Commission's ("Commission" or "GPSC") Orders in Docket No. 31297, Assurance Wireless USA, L.P., f/k/a Virgin Mobile USA, L.P. ("Assurance"), is designated as an Eligible Telecommunications Carrier ("ETC") in the State of Georgia. The GPSC's ETC rule, Ga Comp. R. & Regs. 515-12-1-.35(6), requires ETCs such as Assurance to file "quarterly reports, due no later than 15 days from the close of each quarter, that report the number of customers who have been deactivated pursuant to 47 C.F.R. § 54.405(e)(3), the number of customers who did not pass annual verification, and the number of customers who were voluntarily deactivated." Assurance has duly filed these required quarterly reports since it was designated as an ETC in 2011. Because of certain unforeseen delays, Assurance respectfully requests that the Commission grant an extension of time to submit Assurance's 3rd quarter customer deactivation report. Assurance currently anticipates being in a position to file the required report in the first quarter of 2023.

This filing is being made using the Commission's Alternative Electronic Filing Procedures ("Procedures"). An original electronic version of this letter constitutes the electronic filing. A hard copy version of this letter is being sent to the GPSC today via overnight delivery, and the overnight package will include a copy of the email confirmation as requested in the Procedures. Thank you for your consideration of this request, and please call me if you have any questions regarding this matter.

Sincerely,

ADAMS AND REESE LLP
