CHARGES APPLICABLE UNDER SPECIAL CONDITIONS

E.l Construction, Installation and Maintenance (Cont'd)

E.1.3 Construction for Temporary Service

1. When construction is required for temporary service and there is, in the opinion of the Telephone Company, no immediate prospect of reusing the plant provided, the customer may be required to pay all or a portion of the cost of such construction, including the cost of removing the plant provided.

E.1.4 Charges Applicable for Facility Extension (N)

When an applicant requests new service or upgraded service where construction of line facilities is required, the Telephone Company will cover the construction costs up to $500.00. Any Construction charges over $500.00 shall be recovered from the applicant. Construction charges for multicircuit customers will be on an ICB basis.
