**INDEPENDENT ACCOUNTANT'S REPORT**

The Board of Directors  
Altamaha Electric Membership Corporation

We have examined management of Altamaha Electric Membership (Altamaha EMC) and Altamaha Fiber, LLC. (Altamaha Fiber)'s assertion, included in the accompanying Cost Certification Statement required by Altamaha EMC's Cost Allocation Manual (CAM), that Altamaha EMC and Altamaha Fiber complied with cost certification requirements of the CAM for the year ended June 30, 2022. Management is responsible for their assertion. Our responsibility is to express an opinion on management's assertion based on our examination.

Our examination was conducted in accordance with attestation standards established by the AICPA. Those standards require that we plan and perform procedures to obtain evidence about management's assertion. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of management's assertion whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

In our opinion, management's assertion that Altamaha EMC and Altamaha Fiber complied with cost certification requirements of the CAM for the year ended June 30, 2022, is fairly stated, in all material respects.

This report is intended solely for the information and use of the Georgia Public Service Commission, Altamaha EMC, and Altamaha Fiber, and is not intended to be and should not be used by anyone other than these specified parties.
