Electronic Filing

January 17, 2023

Ms. Sallie Tanner
Executive Secretary
Georgia Public Service Commission
244 Washington Street S.W.
Atlanta, Georgia 30334

Dear Ms. Tanner:

Attachments are revisions to the CenturyLink Communications, LLC d/b/a Lumen Technologies Group Interexchange Services Georgia Tariff No. 1, submitted with a January 17, 2023 issue date and a proposed effective date of February 1, 2023. Revised pages are listed in Attachment A.

This filing increases the monthly rate for CenturyLink Unlimited and adds a clarifying footnote regarding the interstate rate associated with this residential optional calling plan. Customers were notified of this increase 30 days prior to the proposed effective date.

This filing also deletes several grandfathered residential calling plans for which there is no remaining demand and includes administrative revisions for consistency and standardization, none of which impact customers.

If you have questions or need additional information, I may be reached at (318) 388-9773.

Sincerely,

Ashley Douglas

E. Calling Plans

The following are applicable to the services provided by CenturyLink Communications, LLC (f/k/a Embarq Communications, Inc.)

Message Telecommunications Service (MTS)

Message Telecommunications Services (MTS) are available to residential customers whose local service is provided by a CenturyLink LOC company. Customers must select the Company as their primary exchange carrier. These rates will apply as long as the customer remains a CenturyLink LOC customer.

A customer's phone line may not be classified as a "business," "public" or "semi-public" line. If the Company determines the service is not being used for individual residential service, or if use of the service in any other way violates the conditions of the service to which the customer is subscribed, the subscriber will be ineligible for this service and the Company may terminate the subscriber's account immediately, upon notice.

MTS is not available in group or multi-family housing, including but not limited to housing associated with educational institutions or military barracks.

Dial-1 usage does not include usage associated with calls which are pay for use, including calls to 900, 976, 555 and 700 numbers; calls to Directory Assistance and operator assistance, including emergency interrupt and toll free service.

Operator Services and Directory Assistance are available with MTS under the terms and conditions specified in Section 6 of this Tariff. Calls placed using Operator Services are charged at the applicable rates for those services in lieu of the rates specified herein, unless otherwise specified in the rates section for a particular service.
