PUBLIC VERSION - TRADE SECRET INFORMATION EXTRACTED

STATE OF GEORGIA
BEFORE THE GEORGIA PUBLIC SERVICE COMMISSION

Application of **CNS Networks LLC** for a Certificate of Authority to Provide Competitive Local Exchange Telecommunications Services	Docket No. _____

REQUEST FOR TRADE SECRET TREATMENT

Pursuant to Rule 515-3-1-.11, CNS Networks LLC ("Applicant") respectfully requests that the Georgia Public Service Commission ("Commission") grant protection from public disclosure and afford trade secret treatment to **TRADE SECRET Exhibit E, "Financial Information of Applicant"** (the "Trade Secret Exhibit") to the Application. Applicant requests that the Commission afford the highest level of protective treatment to the Trade Secret Exhibit and ask that it be made available only to the Commission.

Applicant requests trade secret treatment of the Trade Secret Exhibit because it contains information that is trade secret, confidential and proprietary in nature. The information contained therein describes the financial condition of Applicant's ultimate parent, Congruex LLC ("Congruex"). Congruex is not a publicly-held company and derives economic value from this information because it is not known to others. If released, the information in the Trade Secret Exhibit could be used by competitors of Congruex and its subsidiaries, including Applicant, to cause competitive harm. The information Trade Secret Exhibit thus constitutes a trade secret within the meaning of O.C.G.A. § 10-1-761(4).

Applicant will compete for customers with telecommunications companies and other entities operating within the State of Georgia. Applicant is a privately held company and

Congruex's revenues, operating expenses and asset value are highly confidential and not publicly available. Further, Applicant operates in a highly competitive market segment. Release of the information would provide competitors with valuable market information relating to Applicant and could disadvantage Applicant by giving competitors insight into Applicant's ability to compete. Further, release of financial information, including revenue estimates, would substantially harm Applicant's ability to negotiate with vendors, incumbent local exchange carriers, and other local and interexchange carriers for services and equipment. The release of this information would also harm Applicant's relationship with investors.

Applicant maintains the secrecy of the information contained within the Trade Secret Exhibit to the Application by retaining possession and control of the information, and by not disclosing such information to others not subject to confidentiality restrictions.

Protection of the financial information provided in the Trade Secret Exhibit does not affect the public interest and does not restrict interested parties from participating in the administrative process. Furthermore, the harm that would result from disclosure of this information far outweighs the public interest in accessing this information.

Applicant is submitting the Trade Secret Exhibit to the Application to the Commission under protective seal with the designation "TRADE SECRET" prominently displayed on each page. Because the Trade Secret Exhibit constitutes protected trade secret information in its entirety, a redacted public disclosure version of said exhibit is not being submitted. Accordingly, and for the foregoing reasons, Applicant respectfully requests that the Commission afford trade secret protections to the Trade Secret Exhibit. In the event that this request is denied, please provide the undersigned with notice of that determination prior to making the Trade Secret Exhibit available to the public. Applicant further requests that the Commission stay the release of the

Trade Secret Exhibit until such time as an application for review of the determination is resolved. Disclosure without affording Applicant an opportunity to contest a finding against trade secret treatment would prejudice Applicant and render moot any successful appeal.

Respectfully submitted this 23rd day of February, 2023.

Counsel for CNS Networks LLC

BEFORE THE
GEORGIA PUBLIC SERVICE COMMISSION

Application of **CNS Networks LLC** for a Certificate of Authority to Provide Competitive Local Exchange Telecommunications Services	Docket No. _____

AFFIDAVIT

STATE OF COLORADO)
)
COUNTY OF DU PAGE)

I, Bill Beans, Jr., being of full age and duly sworn according to law, does hereby depose and state as follows:

1. I am the Co-Founder and CEO of CNS Networks LLC ("Applicant"), the Applicant in the above-captioned matter, and its ultimate parent company, Congruex LLC.

2. I make this affidavit in support of the Request for Trade Secret Treatment ("Request") in accordance with Georgia Public Service Commission Utility Rule 515-3-1-.11.

3. In support of the Application, Applicant is providing as Trade Secret Exhibit E, financial information of Applicant ("Trade Secret Exhibit"), which contains confidential, proprietary, non-public information that Applicant designates as trade secret and protected information as those terms are defined and used in O.C.G.A. § 10-1-761(4).

4. The information in the Trade Secret Exhibit is protected by Applicant, by making it available only to the senior management of, and the outside accounting and legal professionals retained by Applicant.

5. To the extent this information has been or may be disclosed to others, Applicant has done so or will do so by way of a confidentiality agreement, whereby it is agreed by the parties thereto that the trade secret and confidential information: (i) shall be used solely for purposes relating to the matter specified therein, and (ii) shall be maintained in secure files, separate from public information. Such agreements provide that no other disclosure shall be made to any person or entity, except with the express written consent of Applicant or its legal counsel.

6. The information in the Trade Secret Exhibit is not contained in materials that are routinely available to the general public, including but not limited to, Board Orders, press releases, copies of speeches, promotional or educational materials.

7. The Trade Secret Exhibit contains financial and business information that is critical, commercially sensitive and competitively significant. Because of the competition for telecommunications services, Applicant believes that disclosure of this information would place it at a significant competitive disadvantage, impede full and fair competition, and undermine Applicant's business plans. Unrestricted availability of this information would provide competitors or potential competitors with information regarding Applicant's operations and financial condition, upon which competitors or potential competitors could evaluate Applicant's network and business strategies, to its detriment. Such availability would disclose the nature and details of Applicant's financial resources and arrangements and the current extent of its operations and would ultimately result in a competitive disadvantage to Applicant. In contrast, trade secret treatment will not adversely affect any interested party. Trade secret treatment of the Trade Secret Exhibit is therefore required to avoid commercial and competitive injury.

8. I further adopt and verify the factual statements made in the Request are true and correct to the best of my knowledge, information and belief.
