APPLICATION FOR LEAVE TO INTERVENE OF
THE GEORGIA ASSOCIATION OF MANUFACTURERS

COMES NOW, the Georgia Association of Manufacturers ("GAM"), pursuant to O.C.G.A. §§ 50-13-14 and 46-2-59 and Commission Rule 515-2-1-.06, and hereby files this Application for Leave to Intervene ("Application") in the above-referenced docket. The Application is timely filed. In support hereof, GAM respectfully shows as follows:

1.

On February 16, 2023, Georgia Power filed with the Commission its Twenty-Eighth Semi-Annual Construction Monitoring Report ("VCM-28") covering construction costs for Plant Vogtle Units 3 and 4 from July 1, 2022 up to and including December 31, 2022. GAM has already intervened in this docket multiple times and this application is timely filed.

2.

GAM represents manufacturers who purchase electricity from Georgia Power. The rates paid by these manufacturers have a significant impact on their businesses, international and interstate competitiveness, and ability to attract and retain jobs for Georgians. As a result, GAM has substantial interests in the construction of Plant Vogtle Units 3 and 4 and desires to intervene in order to protect those interests.

3.

GAM's rights and interests cannot be adequately represented by any other party to the above-styled docket and its participation in this matter will not unduly delay these proceedings or prejudice any other party.

4.

GAM respectfully requests that it be granted leave to intervene and participate fully as a party in these proceedings, including the right to present testimony and exhibits, cross-examine witnesses, and file briefs. GAM has not determined the extent of its participation in this docket at this time.

5.

GAM respectfully requests that the following persons be included on the service list in this docket and that all communications regarding this docket be directed to them:
