REQUESTS FOR CASES TO COME BEFORE "GUFPAAC"

THE GEORGIA UTILITY FACILTY PROTECTION ACT ADVISORY COMMITTEE

All requests for cases to come before the Georgia Utility Facility Protection Act Advisory Committee (GUFPAAC) shall be submitted in writing and shall be accompanied by each respondent's written response to each and every allegation listed in the notice of probable violation (NOPV) to which this notice is attached.

To better assist the Advisory Committee's preparation to review your case, the assigned investigator has requested from both the Excavator and Utility any pertinent documentation such as pictures, maps, and/or any other documentation.

Receipt of this documentation is being requested prior to the GUFPAAC meeting in order to insure the investigator and Advisory Committee both have the appropriate time in which to review all details related to your case.
