SECTION 3 - DESCRIPTION OF SERVICE AND RATES, *continued*

3.24 FrontierWorks Business Connections LD Bundle, Version B *continued*

3.24.2 Usage Charges *continued*

In the event a customer has multiple lines on their account, and any of the auxiliary lines are not on the *FrontierWorks Business Connections Product Suite* of the associated LEC, those lines are not eligible for the 100 free minutes or a BOT selection offered by *FrontierWorks Business Connections LD Bundle*. If a customer selects an FCA product for auxiliary lines other than FrontierWorks, the customer will be subject to the rates, terms and conditions of that product.

Interstate rates for usage in excess of the 100 free minutes or the optional BOT minutes are found in the Domestic Price List of Frontier Communications of America, Inc. International rates for this product are found in the International Product Guide of Frontier Communications of America, Inc. Unused free minutes and BOT minutes cannot be carried over to another billing cycle. Call segments outside of the allotted BOT minutes will be rounded to the next full increment and invoiced at the respective overage rate for that bundle.

All calls are subject to a minimum billing of thirty seconds with an additional billing increment of six seconds. Charges will be rounded up to the nearest cent on a per call basis.

3.24.3 Rates

	Overage Rate per minute	
Block of Time (BOT) minutes	IntraLATA/Intrastate	InterLATA/Intratstate

3.24.4 Ancillary Charges

SECTION 3 - DESCRIPTION OF SERVICE AND RATES, *continued*

3.30 Frontier VIP, *continued*

3.30.2 Usage Charges, *continued*

Frontier VIP Standard Term Plans will automatically renew for successive twelve (12) month periods unless the Customer notifies the Carrier in writing before the end of their current term of their intention to terminate the agreement at the completion of the term. Frontier VIP Plus Term Plans will default to VIP Standard month-to-month plans if not renewed. Customers electing to continue receiving service without renewing their current term commitment will automatically revert to the respective switched current effective base rate.

A termination fee, equal to the Number of lines cancelled x number of months remaining on the contract x $25.00, will be assessed when a VIP Standard or VIP Plus Customer terminates service prior to the completion of the then current term. For a dedicated service customer the "number of lines" is equal to the number of channels (i.e., a T1 loop would constitute 24 lines).

Frontier VIP may be applied at the parent or child account levels. (Allowing different child accounts to have different long distance products). For customers with VIP Plan at the parent account level, all qualified billing rolls up to the parent to determine total monthly billing and the appropriate "super-volume" discount level for that month. Child account discounting will be applied based on the higher (parent or child) VIP Plan term and "total volume" discount. Discounts will be shown per call type at the account level on billing statements.

3.8.3 Ancillary Services

An additional * per call surcharge will be assessed on all calls placed for intrastate Directory Assistance. (C)
