Atlanta GA, 30334-9052

Subject: No revenues to report for the annual accounting report to the GPSC

To Whom It May Concern:

Middle Mile Infrastructure, LLC (MMI) was granted a Certificate of Authority from the Georgia Public Service Commission (GPSC) in May 2020 (Docket No. 43066; Certificate No. X-7752) but has not yet commenced operations in the state of Georgia. Thus, MMI has no revenues to report in the state for calendar year 2022. Once service begins and relevant revenues are generated, MMI will submit the annual accounting report to the GPSC for the relevant year.

Sincerely,

Boh DuPree
