**PETITION OF ONE RING NETWORKS, II, INC.
FOR ORDER CONFIRMING RELINQUISHMENT
OF ELIGIBLE TELECOMMUNICATIONS CARRIER DESIGNATION
IN GEORGIA**

Pursuant to 47 U.S.C. § 214(e)(4) and 47 C.F.R. § 54.205, One Ring Networks II, Inc. ("One Ring") respectfully requests that the Public Service Commission of Georgia ("Commission") enter an Order confirming relinquishment of its Eligible Telecommunications Carrier ("ETC") designation throughout Georgia effective May 5, 2023.

I. BACKGROUND AND SUMMARY

One Ring was selected as a winning bidder in Georgia under the FCC's Rural Digital Opportunity Fund ("RDOF") phase I auction (Auction 904). One Ring's receipt of RDOF Phase I Auction funding was conditioned upon obtaining designation as an ETC in the eligible Census Blocks. One Ring applied for ETC designation only in the Census Blocks for which it was awarded funding from the RDOF Phase I Auction, as identified in Exhibit A**.** One Ring received ETC designation from the Commission on June 7, 2021.

Due to challenges asserting that the Census Blocks covered by One Ring's RDOF award were already served, One Ring chose not to proceed with the RDOF award. One Ring surrendered the award and does not intend to pursue any future federal high-cost subsidies. Therefore, One Ring will not exercise its ETC authority and no longer needs the designation. Federal law allows One Ring to relinquish its ETC designation in Georgia because the Census Blocks in which it was designated as an ETC are served by at least one other ETC. One Ring has not commenced

providing regulated telecommunications services in Georgia, so relinquishing the ETC designation will not affect any customers.

II. PETITION

1. One Ring is a competitive local exchange carrier ("CLEC") in Georgia.

2. On June 7, 2021, the Commission designated One Ring an ETC within the Census Blocks on Attachment A.

3. One Ring did not commence operating as an ETC in Georgia and has no plans to do so in the future.

4. Because One Ring does not intend to exercise its ETC authority to participate in any federal high-cost program, it no longer needs its ETC designation and wishes to surrender it.

5. One Ring seeks to relinquish its ETC designation in all Census Blocks where it was grated ETC authority, set forth in Attachment A.

6. Upon this relinquishment, One Ring no longer will be an ETC in any portion of the State of Georgia.

III. LEGAL STANDARD

7. In 47 U.S.C. § 214(e)(2) and (4) and 47 C.F.R. § 54.205, Congress and the FCC delegated authority to state commissions to designate carriers as ETCs and permit carriers to relinquish their ETC designation. The standard for relinquishing an ETC designation is set forth in 47 U.S.C. § 214(e)(4), which states, in pertinent part:

> A State commission…***shall permit*** an eligible telecommunications carrier to relinquish its designation as such a carrier ***in any area served by more than one eligible telecommunications carrier.*** An eligible telecommunications carrier that seeks to relinquish its eligible telecommunications carrier designation for an area served by more than one eligible telecommunications carrier shall give advance notice to the State commission…of such relinquishment. (Emphasis added).

The Commission has previously allowed carriers to relinquish ETC designation, including by an ILEC, AT&T Georgia.[1]

8. One Ring meets the standard for relinquishing its ETC designation because other ETCs serve all Census Blocks where One Ring was authorized as an ETC, and because it did not commence operating as an ETC and therefore had no federal high-cost customers in Georgia.

IV. REQUESTED ORDER DATE

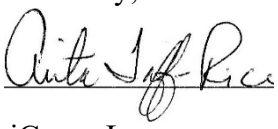

9. One Ring requests that the Commission issue an order granting this Petition as soon as possible, but no later than May 5, 2023.

V. CONCLUSION

For the foregoing reasons, One Ring respectfully requests that the Commission grant this Petition expeditiously and enter an order confirming One Rings relinquishment of its ETC designation in all areas within the State of Georgia, effective May 5, 2023.

Respectfully submitted this 5th day of April 2023.

Sincerely,

iCommLaw
