BEFORE THE GEORGIA PUBLIC SERVICE COMMISSION

Petition of IM Telecom LLC d/b/a Infiniti
Mobile to Expand its Eligible
Telecommunications Carrier Service Area

Docket No. 40193

**SECOND SUPPLEMENT TO PETITION OF IM TELECOM LLC
D/B/A INFINITI MOBILE TO EXPAND ITS ELIGIBLE
TELECOMMUNICATIONS CARRIER SERVICE AREA**

IM Telecom, LLC d/b/a Infiniti Mobile (IM Telecom or the Company), by its undersigned counsel, files this second supplement to its Petition to Expand its Eligible Telecommunications Carrier Service Area, filed in this docket on December 30, 2022. By this supplement, IM Telecom does the following: (1) provides additional details about its financial status in response to a request from Georgia Public Service Commission (Commission) Staff; (2) amends the service area expansion requested in the Petition; and (3) provides a revised exhibit regarding its Lifeline plans.

First, IM Telecom addresses a question about its financial status from Commission Staff in Exhibit 1. Exhibit 1 contains confidential financial data and financial plans that the Company considers to be a trade secret as defined in Section 10-1-761(4) of the Georgia Code.¹ Therefore, IM Telecom is submitting Exhibit 1 under protective seal with the designation “TRADE SECRET” in accordance with Commission Rule 515-3-1-.11.² In accordance with the Commission’s rules, IM Telecom is filing a public version of this supplement with trade secret

¹ Ga. Code Ann. § 10-1-761(4).

² Ga. Comp. R. & Regs. 515-3-1-.11.

information redacted. Attached as Exhibit 2 is an affidavit in support of IM Telecom's claim that the protected information is a trade secret.

Second, IM Telecom amends its Petition to request to expand its Eligible Telecommunications Carrier (ETC) designated service area to be statewide subject to the wireless network coverage of its underlying carriers AT&T Mobility and T-Mobile US, Inc. IM Telecom's Petition had listed Verizon Wireless as an additional underlying carrier. However, the Company has decided that it will not rely on Verizon Wireless to provide Lifeline service in Georgia.

Third, IM Telecom provides a revised version of its current Lifeline offering as Exhibit 3. This exhibit replaces Exhibit 3 that was filed with the Petition.

Based on the foregoing and for the reasons stated in its Petition, IM Telecom respectfully requests that the Commission promptly grant its Petition and expand IM Telecom's Lifeline-only ETC service area.

Respectfully submitted,

Exhibit 2

AFFIDAVIT

STATE OF NEW JERSEY

COUNTY OF SUSSEX

I, Jason N. Welch, on behalf of IM Telecom, LLC d/b/a Infiniti Mobile (IM Telecom or the Company), after first being duly sworn, do hereby state the following:

1. My name is Jason N. Welch and I am the President of IM Telecom. My business address is 500 N. Central Expressway, Suite 202, Plano, Texas 75074. In my position as President, I am authorized to provide this statement on behalf of the Company

2. I am providing this affidavit in support of the Second Supplement to Petition of IM Telecom, LLC d/b/a Infiniti Mobile to Expand its Eligible Telecommunications Carrier Service Area (Supplement) and the Company's assertion that the information in Exhibit 1 to the Supplement is a trade secret that should not be disclosed to the public.

3. Exhibit 1 provides details about IM Telecom's financial status in response to a request from the Georgia Public Service Commission Staff. In particular, Exhibit 1 includes financial data and describes financial plans. This information is not commonly known by or available to the public.

4. The confidential financial information contained in Exhibit 1 derives economic value from not being generally known to others, and in particular, to competitors. The provision of wireless telecommunications services is a competitive business in which IM Telecom is one of several competitors. Public disclosure of the Company's confidential financial information would enable competitors to learn details about IM Telecom's financial situation and financial plans and to unfairly take advantage of this confidential information to develop their own

strategies for providing wireless telecommunications services. As such, IM Telecom's competitors can obtain economic value from disclosure of the information in Exhibit 1.

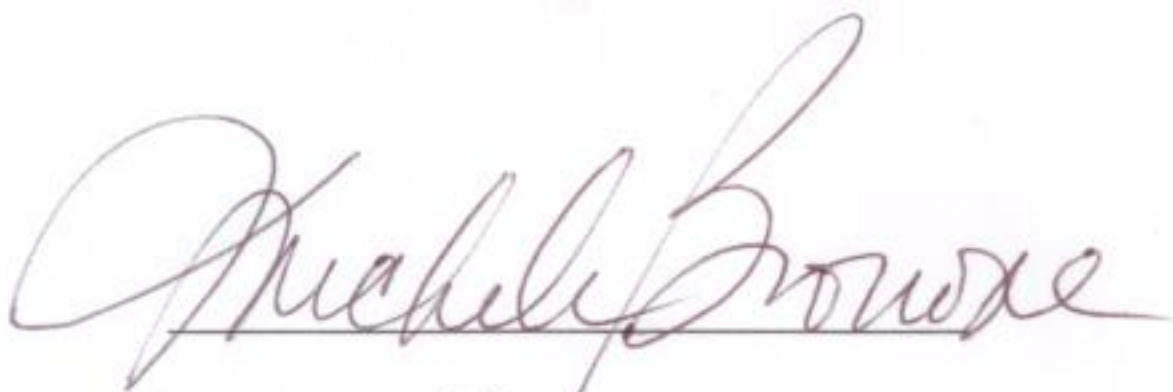

5. IM Telecom treats the information in Exhibit 1 as confidential and does not authorize its employees to disclose this information to third parties. The information in Exhibit 1 is only available to those employees requiring the information to perform their duties to the Company. IM Telecom has not disclosed the information to any unauthorized third party nor to the public.

6. Based on the foregoing, the information in Exhibit 1 is a trade secret as defined in Section 10-1-761(4) of the Georgia Code (Ga. Code Ann. § 10-1-761(4)) and should not be disclosed to the public.

7. The undersigned hereby certifies that the information contained herein is true and accurate to the best of my information and belief.
