## INDEPENDENT ACCOUNTANT'S REPORT

The Board of Directors  
Diverse Power Incorporated and Subsidiary

We have examined management of Diverse Power Incorporated's (Diverse Power) and its subsidiary, Kudzu Networks, Inc.'s (Kudzu) assertion, included in the accompanying Cost Certification Statement required by Diverse Power's Cost Allocation Manual (CAM), that Diverse Power and Kudzu complied with cost certification requirements of the CAM for the year ended December 31, 2022. Management is responsible for Diverse Power and Kudzu's assertion. Our responsibility is to express an opinion on management's assertion based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform procedures to obtain evidence about management's assertion. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of management's assertion whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

In our opinion, management's assertion that Diverse Power and Kudzu complied with cost certification requirements of the CAM during the year ended December 31, 2022, is fairly stated, in all material respects.

This report is intended solely for the information and use of the Georgia Public Service Commission, Diverse Power, and Kudzu, and is not intended to be and should not be used by anyone other than these specified parties.
