Re: Georgia Power Company's 2023 Community Charging Plan; Docket No. 44280

Dear Ms. Tanner:

In accordance with the Georgia Public Service Commission's Order Adopting Settlement Agreement as Modified in Docket No. 44280, please accept this as a notice of intent to provide an electric vehicle charging station at our Fayetteville (1552 Hwy 85 South, Fayetteville, GA 30214) location. I believe that the Griffin, GA (US 19 & US 41) location was identified by Georgia Power as a potential electric charging location (see enclosed), in the recent Georgia Power's 2023 Community Charging Plan. Your proposed Griffin location is within the fifteen (15) mile area as described in the GPCCP, of our Fayetteville, GA location.

If you have any questions, please contact John Cook at the number listed below.

John Cook
