REPORT OF NATURAL GAS SAFETY

INSPECTION NO: JB23-001

OPERATOR: Waynesboro Housing Authority

INVESTIGATOR: Jeff Baggett

INSPECTION DATE: January 25, 2023 REPORT MAILED DATE: April 27, 2023

Any questions concerning this report may be directed to the above address or by telephoning (404) 463-6526.

1. PURPOSE OF INSPECTION

To review a notification from the Waynesboro Housing Authority concerning their status as a jurisdictional operator.

2. CONTINUING VIOLATIONS

3. CLEARED VIOLATIONS

4. NEW VIOLATIONS

5. OTHER RECOMMENDATIONS/COMMENTS

On January 24, 2023, Staff received filings from the City of Waynesboro Housing Authority which advised that they have entered into agreements with the City of Wrens and the City of Louisville to take over the responsibility for the gas lines serving the housing authority properties in these cities. The letter also advised the Commission that the Waynesboro Housing Authority will no longer be considered a master meter operator.

Staff has no objection to the Waynesboro Housing Authority transferring the ownership of these facilities to the Cities of Louisville and Wrens, respectively; however, after reviewing our records it appears that the Housing Authority is still operating two jurisdictional propane systems. Our records show these systems as the Sardis Housing Authority and the Wadley Housing Authority.

OBSERVED ISSUE:
Staff requests that the Operator respond to this notice and advise if these systems are still in use. If they are then the Waynesboro Housing Authority must remain as a jurisdictional operator under the requirements of 49CFR, Part 192.

Should the Commission receive a request for disclosure of any "TRADE SECRET" material, you will be notified, if after review, the materials and your provided justification are deemed not to meet any exemptions provided in the Georgia Open Records Act.
