LOCAL EXCHANGE SERVICE

C.2 Local Monthly Exchange Service Rates (Continued)

B.

RATE COMPONENTS	BUSINESS ONE PARTY*	RESIDENCE ONE PARTY*	
Network Access Charge (Rotary)	$55.72	$24.86	(I)
Network Access Charge (Tone)	$58.84	$26.97	(I)

C. Maps which indicate and define the exchange and base rate area limits of the respective exchanges are filed with the Georgia Public Service Commission as part of the Certificate of Public Convenience and Necessity granted by the Georgia Public Service Commission and are made a part hereof by reference.

C.3 Auxiliary Access Points

A. In the case of Auxiliary Access Points from individual access line, or private branch exchange access points being located more than 250 feet from the main access points or located on other premises, within the same exchange, the following charge applies per 1/4 mile or fraction thereof, circuit measurement, per month $1.75.

B. All such charges are in addition to the base rate applicable to the particular service against which mileage charges are assessed.

C. In connection with party-line access service, auxiliary access points must be located under the same roof, as the main access point.

D. When it becomes necessary to use underground conduit or pole structure on the subscriber's premises for auxiliary access points service, the subscriber will be required to furnish and install such plant at his own expense or the Company will do such work and bill the subscriber for time, material and administration.

E. The mileage charges prescribed in paragraph A. above apply without regard to whether any or all of the facilities may be located within or without the base rate area.

* Rates are set pursuant to the Georgia Telecommunications and Competition Development Act of 1995.
