Docket No. 44902
Georgia Power Company's FCR-26
Hearing Request No. GIPL-HR-1

GIPL-HR-1

Question:

Is there an analysis to see how much the low-income senior discount would have to be to levelize those increases and make it so that this fuel docket wouldn't be disproportionately increasing the bills of those eligible for the low-income senior discount?

Response:

Please see GIPL-HR-1 Attachment for the analysis.
