Re: Docket No. 44160; Georgia Power Company's 2022 Integrated Resource Plan

Dear Ms. Tanner:

As required by Order Adopting Stipulation as Amended in Docket No. 44160 regarding Georgia Power Company's 2022 Integrated Resource Plan ("2022 IRP Order"), the Georgia Public Service Commission's Public Interest Advocacy Staff ("Commission Staff") and Georgia Power Company ("Georgia Power") have met to address the methodological differences discussed in Section 4 of PIA Staff's IRP Direct testimony related to the Company's Renewable Cost Benefit Framework ("RCB Framework") and Renewable Integration Study ("RIS"). Consistent with Paragraph 29 of the Supply Side Plan of the 2022 IRP Stipulation, Commission Staff and Georgia Power recommend that resolutions contained in this Compliance Filing be utilized for future renewable procurement evaluations until a future RIS is completed and approved by the Commission.

Enclosed for filing please find the Compliance Filing. We have also furnished an electronic copy of this filing to all parties in this proceeding.

Sincerely,

Preston Thomas
Attorney
