Re: Docket No. 44160; Georgia Power Company's 2022 Integrated Resource Plan

Dear Ms. Tanner:

As required by Order Adopting Stipulation as Amended in Docket No. 44160 regarding Georgia Power Company's 2022 Integrated Resource Plan ("2022 IRP"), the Georgia Public Service Commission's Public Interest Advocacy Staff ("Commission Staff") and Georgia Power Company ("Georgia Power") have met to address how to appropriately value a Renewable Energy Credit ("REC") component for inclusion in the Company's Renewable Cost Benefit Framework ("RCB Framework"). Consistent with Paragraph 29 of the Supply Side Plan of the 2022 IRP Stipulation, Commission Staff and Georgia Power recommend that resolutions contained in this Compliance Filing be utilized in Integrated Resource Plan-approved procurements for which RECs are conveyed.

Enclosed for filing please find the Compliance Filing. We have also furnished an electronic copy of this filing to all parties in this proceeding.

Sincerely,

Preston Thomas
Attorney
