FINAL ORDER

APPEARANCES:

Georgia Public Service Commission Staff: Janey Chauvet

Civil Works South East, L.L.C.: No appearance

PROCEDURAL HISTORY

On March 6, 2020, while working at 3129 Lynnray Drive, Atlanta, **Civil Works South East, L.L.C.** ("Respondent") caused damage to a utility facility while using mechanized equipment. Following its investigation of this incident, Commission Staff determined that the Respondent was in violation of O.C.G.A. §§ 25-9-8(e) (the "Violations") and recommended, through Consent Agreement, that Respondent be assessed a $5,000 civil penalty with the ability to mitigate $4,000 by completing a Commission approved damage prevention training program.

On May 17, 2022, the Commission issued a Notice of Hearing and Procedural and Scheduling Order. Respondent was advised that a hearing would be held for the purpose of hearing evidence regarding the Violations and that, if proven, such Violations may result in the imposition of a civil penalty as provided by law.

On August 17, 2022, a hearing was conducted in this Docket, at which time the Commission's Hearing Officer heard testimony from Staff witnesses. Staff entered two exhibits into evidence. Exhibit 1 was a chart that detailed information regarding: the incident date and location, violation cited, terms of Consent Agreement, date of service for both Consent Agreement and Notice of Hearing, and status of certified mail return receipt for Notice of Hearing. Exhibit 2

included copies of: The Notice of Probable Violation, Incident Investigation Report, Consent Agreement, Notice of Hearing and Procedural and Scheduling Order, Certified Mail Return Receipt and other supporting documentation. At the hearing, several issues were presented for determination, including whether Respondent committed the Violations and whether the Respondent should be penalized pursuant to O.C.G.A § 25-9-13(h)(7) in an amount of up to $10,000.00 for each violation. While Respondent initially responded to attempts to settle, they failed to appear for the hearing.

FINDINGS AND CONCLUSIONS

Staff witnesses Onterio Johnson and Marilyn Morris-Simmons testified at the proceeding. Mr. Johnson is a Commission GUFPA investigator and is generally responsible for investigating notices of probable violation of the Act. Ms. Morris-Simmons is the assistant to the GUFPA Program and Assistant Program Managers, and is generally responsible for the delivery of consent agreements, Notice of Hearings, and Final Orders to probable violators of GUFPA and O.C.G.A. § 46-2-91. Mr. Johnson submitted a detailed copy of his report of the investigation. Based on the probable violation damage reports filed by the utility and upon further investigation into the matter, Mr. Johnson determined that:

1. Respondent failed to notify both the UPC and the affected facility owner/operator after a damage occurs in violation of O.C.G.A. § 25-9-8(e); and Choose an item.

Based upon the facts and circumstances presented in this case, the Commission finds that Respondent committed the Violations.

PENALTIES

Pursuant to O.C.G.A. § 25-9-13(h)(7), the Commission has the authority to impose a civil penalty not exceeding $10,000.00 for each violation of the Act, if it is proven that any person violated any provision of the Act as a result of a failure to exercise reasonable care.

WHEREFORE IT IS ORDERED, that pursuant to O.C.G.A § 25-9-13(h)(7), a civil penalty in the amount of **$6,000** be imposed against Respondent for failure to exercise reasonable care when excavating with mechanized equipment in violation of O.C.G.A. §§ 25-9-8(a) and 25-9-8(b). Respondent shall pay such civil penalty to the Commission, in certified funds, within thirty (30) days from the date of this Order.

ORDERED FURTHER, that Respondent may mitigate $4,000 of the civil penalty ordered in this case by a minimum of five (5) employees completing a Commission-approved damage prevention training course within forty-five (45) days from the date of this Order.

ORDERED FURTHER, that all findings, conclusions and decisions contained within the preceding sections of this Order are hereby adopted as findings of fact, conclusions of law, and decisions of regulatory policy of this Commission.

ORDERED FURTHER, that any motion for reconsideration, rehearing or oral argument or any other motion shall not stay the effective date of this Order, unless otherwise ordered by this Commission.

ORDERED FURTHER, that jurisdiction over this matter is expressly retained for the purpose of entering such further Order or Orders as this Commission may deem just and proper.

The above by action of the Commission in Administrative Session on the 20th day of December 2022.
