Re: Docket No. 44392; 45083

Dear Ms. Tanner:

Liberty Utilities (Peach State Natural Gas) Corp. is submitting the following memo in the above referenced Docket as Trade Secret Filing stating that certain information associated with the purchased gas adjustment is proprietary and trade secret and is thus being submitted pursuant to Commission Rule 515-3-1-.11 governing trade secrets.

Memo:

We will be updating the Peaking RFPs we provided you to reflect our model input change form EDD to HDD which results in a revision of the Peaking RFP amount for Columbus to 6,500 and Gainesville 3,600. Our intention is to continue down the path of issuing the RFPs for our total needs in both service areas to verify how Gas South's pricing compares to others.

If you have any questions, please contact me at 678-707-5226.

Sincerely,

Adam Bigknife
