SOUTHSTAR ENERGY SERVICES LLC	)	Docket No. 9574
d/b/a GEORGIA NATURAL GAS	)	

TRADE SECRET CERTIFICATION OF
SOUTHSTAR ENERGY SERVICES LLC

Pursuant to Commission Rule 515-7-10-.05(5), SouthStar Energy Services LLC d/b/a Georgia Natural Gas ("GNG") files its quarterly report regarding data related to instances of unauthorized changes of a customer's service provider as a trade secret subject to the protection of the Georgia Trade Secrets Act and the Commission's Trade Secret Rule. The Report contains competitively sensitive information regarding SouthStar's customers, including their personal information. The information contained in the Report derives economic value from not being generally known to others because, among other reasons, it contains competitively sensitive information the disclosure of which would cause harm to SouthStar. Competitors would obtain economic value from the information, including information that would assist them in marketing, thereby allowing them to compete unfairly against SouthStar. In addition, the customers have not authorized SouthStar to publicly disclose their names.

The information contained in the Report has not been disclosed to anyone outside of those compiling the information,

is not disseminated to anyone except those with an express need to know, and is maintained in a secure manner at SouthStar's offices.

Based on the foregoing, the attached Report is being filed as a trade secret and the Commission is requested to prohibit public disclosure of the same.

Respectfully submitted this 15th day of August, 2023.
