Re: CC Docket No. 96-45/WC Docket No. 14-58, Annual State Certification of Support for Eligible Telecommunications Carriers Pursuant to 47 C.F.R. § 54.314

Pursuant to the requirements of 47 C.F.R. § 54.314, the Georgia Public Service Commission hereby certifies to the Federal Communications Commission and the Universal Service Administrative Company that the telecommunications carriers included in this letter are eligible to receive federal high-cost support for the program years cited.

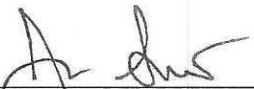

The Georgia Public Service Commission certifies for the carriers listed all federal high-cost support provided to such carriers within Georgia was used in the preceding calendar year (2022) and will be used in the coming calendar year (2024) only for the provision, maintenance, and upgrading of facilities and services for which the support is intended.[1]

Company Name	Study Area Code

[1] 47 C.F.R. §54.314(a) ("Certification. States that desire eligible telecommunications carriers to receive support pursuant to the highcost program must file an annual certification with the Administrator and the Commission stating that all federal high-cost support provided to such carriers within that State was used in the preceding calendar year and will be used in the coming calendar year only for the provision, maintenance, and upgrading of facilities and services for which the support is intended. High-cost support shall only be provided to the extent that the State has filed the requisite certification pursuant to this section.").

Check _X_ if list of certified carriers is attached.
