Grid Investment Program

July 2023 Management Review Board

Georgia Power | Grid Investment Program

Executive Summary

PUBLIC DISCLOSURE

Program overview

The Grid Investment Program is a **long-term, multibillion dollar program** focused on improving reliability across Georgia. Phase 2 was approved for REDACTED in December 2022.

Changes to plan

The investment program has been revised with lessons learned in Phase 1; new plan will use more frequent, smaller investments to improve reliability for customers and work will be **spread out over a longer time horizon**

Focus for next 3yrs

In Distribution, we plan on investing REDACTED in the next 3 years, to improve reliability for customers; in Transmission, we'll invest REDACTED over the next 3 years to improve 91 substations, and ~335 miles of transmission lines.
