Re: Approval of Adopted Interconnection Agreement between Teleport Communications America, LLC and ComSouth Telecommunications, Inc. d/b/a Hargray ("ILEC") Pursuant to Sections 251 and 252 of the federal Telecommunications Act of 1996
Docket No. _____

Dear Ms. Tanner:

Teleport Communications America, LLC and ILEC respectfully submit for the Commission's approval, pursuant to Section 252(e) of the federal Telecommunications Act of 1996 ("the Act"), its adoption of the interconnection agreement between ComSouth Telecommunications, Inc. d/b/a Hargray and Level 3 Communications, LLC approved in Docket No. 44563.

Section 252(e) of the Act charges the Commission with approving or rejecting this agreement within 90 days of its submission. The Commission may only reject the agreement if it finds that: the agreement or any portion of it discriminates against a telecommunications carrier not a party to it; or implementation of the agreement or any portion of it is not consistent with the public interest, convenience and necessity. The parties to the agreement represent that neither of these reasons exists and that the Commission should approve the agreement.

Enclosed are an original and two (2) copies, as well as an electronic version of the referenced agreement for filing. Please return the one (1) extra copy of the cover letter file-stamped in the self-addressed, stamped envelope enclosed for your convenience.

Thank you for your consideration.

Sincerely,

Sally Briar
