Docket No. 55239

In Re: Application of TERRACOM INC. d/b/a Maxsip Tel for Designation as an Eligible Telecommunications Carrier in the State of Georgia

ORDER ON APPLICATION FOR DESIGNATION AS AN ELIGIBLE TELECOMMUNICATIONS CARRIER

Background

On June 21, 2023, TERRACOM INC. d/b/a Maxsip Tel ("TERRACOM") filed with the Georgia Public Service Commission ("Commission") its Application for Designation as an Eligible Telecommunications Carrier in the State of Georgia ("Application"). At the request of Staff, TERRACOM filed a revised page 18 to the Application, evidence that it had properly registered its trade name, and copies of its carrier agreements on October 21, 2023.

On November 1, 2023, TERRACOM filed a letter confirming the following information:

> TERRACOM INC. d/b/a Maxsip Tel provides a free handset or SIM card to all Lifeline customers. TERRACOM INC. d/b/a Maxsip Tel does not charge activation fees or any other non-recurring fees to initiate service. In addition, TERRACOM INC. d/b/a Maxsip Tel has committed to provide additional usage to Lifeline customers at a cost not to exceed $0.05 per minute. *November 1, 2023 Letter at 1.*

TERRACOM is not seeking Universal Service Fund ("USF") support for the purpose of providing service to high cost areas but instead to offer Lifeline-discounted wireless phone service to low-income individuals that meet the Federal Communications Commission's eligibility criteria.

TERRACOM asserts that it meets all of the federal requirements for designation as an ETC. 47 C.F.R. § 54.101(a) requires ETCs to provide the following services and functionality: voice grade access to the public switched network or its functional equivalent; minutes of use for local service provided at no additional charge to end users; access to the emergency services provided by local government or other public safety organization, such as 911 and enhanced 911, to the extent the local government in an eligible carrier's service area has implemented 911 or enhanced 911 systems; and toll limitation services to qualifying low-income consumers.

TERRACOM's basic service offering is a wireless-based service, which includes 1000 minutes of usage, 1000 text messages, and 4.5 GB of data per month at no cost to the consumer after application of the $9.25 Lifeline discount. TERRACOM provides a free handset or SIM card to all Lifeline customers. TERRACOM does not charge activation fees or any other non-recurring fees to initiate service. In addition, TERRACOM has committed to provide additional usage to Lifeline customers at a cost not to exceed $0.05 per minute.

TERRACOM states that it has two underlying carriers, T-Mobile USA and AT&T Mobile. Because T-Mobile USA and Sprint have merged, TERRACOM seeks designation in the Sprint wire centers approved for Virgin Mobile USA, LP in Docket No. 31297 and the wire centers approved for T-Mobile in Docket No. 32967. TERRACOM also seeks designation in the AT&T Mobility wire centers shown in Document Number 161753 filed in Docket No. 3 on January 25, 2016. On April 15, 2013, the FCC granted forbearance from the requirement of 47 U.S.C. § 214 (e)(5) and 47 C.F.R. § 54.207(b) that the service area of an eligible telecommunications carrier conform to the service area of any rural telephone company serving the same area. Forbearance is limited to Lifeline-only ETCs.

TERRACOM also committed to "advertise the availability of such services and the charges therefor using media of general distribution." 47 U.S.C. §214(e)(1)(B). TERRACOM submitted its proposed advertising, customer application, eligibility form, and verification form.

As TERRACOM is a reseller, it requested from the FCC forbearance from the facilities requirements of 47 U.S.C. § 214 (e)(1)(A). The FCC granted forbearance to TERRACOM on May 25, 2012.

Staff Recommendation

The Staff recommended that the Commission designate TERRACOM as an ETC in the wire centers shown in Attachments 1 (Sprint), 2 (T-Mobile), and 3 (AT&T Mobility) for the limited purpose of providing Lifeline service, subject to the following conditions:

- The Commission reserves the right to conduct audits as needed to determine that the funds are used for permitted purposes.

- TERRACOM's ETC designation may at any time be suspended or revoked by order of the Commission.

- TERRACOM shall only provide service to customers in a wire center listed in Attachments 1 (Sprint), 2 (T-Mobile), and 3 (AT&T Mobility) using the underlying carrier associated with that wire center. To the extent a wire center has more than one underlying carrier associated with it, TERRACOM may choose from among the underlying carriers associated with that wire center.

The Commission finds the Staff's recommendation reasonable and hereby adopts the Staff's recommendation.

WHEREFORE, it is

ORDERED, that TERRACOM is granted ETC designation for the limited purpose of providing Lifeline service in the wire centers shown in Attachments 1 (Sprint), 2 (T-Mobile), and 3 (AT&T Mobility).

ORDERED FURTHER, that TERRACOM shall only provide service to customers in a wire center listed in Attachments 1 (Sprint), 2 (T-Mobile), and 3 (AT&T Mobility) using the underlying carrier associated with that wire center. To the extent a wire center has more than one underlying carrier associated with it, TERRACOM may choose from among the underlying carriers associated with that wire center.

ORDERED FURTHER, that the Commission reserves the right to conduct audits as needed to determine that the funds are used for permitted purposes.

ORDERED FURTHER, that TERRACOM's ETC designation may at any time be suspended or revoked by order of the Commission.

ORDERED FURTHER, that this ETC designation is conditioned upon TERRACOM's compliance with applicable state law, applicable Commission rules and orders and applicable federal law, rules and regulations.

ORDERED FURTHER, that a motion for reconsideration, rehearing, oral argument, or any other motion shall not stay the effective date of this Order, unless otherwise ordered by the Commission.

ORDERED FURTHER, that jurisdiction over this matter is expressly retained for the purpose of entering such further Order(s) as this Commission may deem just and proper.

The above by action of the Commission in Administrative Session on the 7th day of November 2023.
