IRU Networks, LLC ("IRU") and USA DIGITAL COMMUNICATIONS, INC. ("USAD") (collectively, the "Parties") hereby notify the Georgia Public Service Commission (the "Commission"), of the transfer of control of IRU from Donna Rice Costello and Jere Brent West to USAD (the "Transaction"). For the Commission's records, the Parties provide the following information:

III. DESCRIPTION OF THE TRANSACTION

Effective June 1, 2023, one hundred percent (100%) of the membership interests of IRU were sold to USAD, pursuant to a Membership Interest Purchase Agreement dated as of May 19, 2023, by and between Donna Rice Costello, Jere Brent West and USAD.

IRU's only customer was USAD, therefore, the consummation of the Transaction did not result in an interruption, reduction, loss, or impairment of services to any customer.

The Transaction raises no competitive issues. Upon approval of the transfer of control, IRU respectfully requests to cancel its Certificates of Authority for IXC (R-1135) and CLEC (L-0565).

IV. PUBLIC INTEREST ANALYSIS

The effect of the transfer of control of IRU to USAD has not resulted in an interruption, reduction, loss, or impairment of services to any customer. Further, IRU asserts that there are no customers whose service would be impacted by this cancellation and is not currently marketing its services.

V. CONCLUSION

The Parties respectfully request that the Commission note the Transaction for its records, grant any necessary approval of the transaction, and waive any applicable public notice and hearing requirements.

Please contact the undersigned if there are any questions regarding this filing.

Respectfully submitted,
