THIS SERVICES AGREEMENT (the "Agreement") is made and entered into as of this 23 day of February 2010 (the "Effective Date"), by and between **Southern Company Services, Inc.**, a corporation organized under the laws of the state of Alabama ("Service Provider") and **Southern Renewable Energy, Inc.**, a corporation organized under the laws of state of Delaware ("Company").

BACKGROUND:

WHEREAS, Service Provider and Company are both direct subsidiaries of The Southern Company ("Southern") and, together with Southern's operating subsidiaries ("Client Operating Companies") and Southern, form the Southern electric system;

WHEREAS, Service Provider is a centralized service company organized, staffed, and equipped to render to Client Operating Companies, Southern, and Company and Company's subsidiaries (collectively, the "Companies") services as herein provided; and

WHEREAS, Company desires for Service Provider, as a centralized service company, to provide certain services to Company and its subsidiaries, and Service Provider is willing to provide such services, all subject to and in accordance with the terms and conditions contained herein.

NOW, THEREFORE, IN CONSIDERATION of the mutual promises and agreements set forth herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Company and Service Provider hereby agree as follows:

TERMS AND CONDITIONS:

1. Services.

1.1 During the term of this Agreement, Service Provider agrees that it will provide to Company and Company's subsidiaries such services as are listed on Exhibit A, and as otherwise may be agreed from time to time (each a "Service" and collectively, the "Services"). Exhibit A may be amended from time to time upon written notice from Company to Service Provider to include additional services, unless Service Provider elects not to include such services in Exhibit A.

1.2 Company hereby appoints Service Provider to act as its agent in the performance of the Services. Such authorization shall include, but not be limited to, the right and authority for Service Provider to perform, negotiate, execute, and administer agreements on Company's behalf as such agreements relate to the Services.

1.3 Company will use reasonable efforts in performing assistance and support for Service Provider as Service Provider performs its obligations under this Agreement.

1.4 Service Provider will, as and to the extent reasonably required for Company, keep itself and its personnel available and competent to render to Company the Services on the same basis as such services are provided to the other Client Operating Companies.

2. Compensation of Service Provider.

2.1 As compensation for Services rendered by Service Provider pursuant to this Agreement, Company hereby agrees to pay to Service Provider the cost of such Services, computed in accordance with accounting standards applicable to Client Operating Companies and Service Provider or as otherwise provided by applicable law. Bills will be rendered for the amount of such cost on or before the 10th day of the succeeding month and will be payable on or before the 20th day of such month.

2.2 Cost of Services to be paid by Company will include direct charges and Company's pro rata share of certain of Service Provider's costs, determined as set forth below:

(a) To the extent that the costs incurred by Service Provider in connection with Services rendered by it to Company or Company's subsidiaries can be identified and related to a particular transaction, direct charges will be made by Service Provider to Company.

(b) Such costs incurred by Service Provider in connection with rendering Services to Company or Company's subsidiaries as cannot be identified and related to a particular transaction will be charged to Company in a fair and equitable manner in accordance with Service Provider's then effective applicable methods of allocation.

3. Work Orders.

3.1 The Services will be performed in accordance with work orders or written requests issued or made by or on behalf of Company or its subsidiaries and accepted by Service Provider and all Services will be assigned an applicable work order number to enable specific work to be properly allocated by project or other appropriate basis. Work orders will be as specific as practicable in defining the Services requested to be performed.

3.2 Company will have the right from time to time to amend, alter or rescind any work order, provided that (a) any such amendment or alteration which results in a material change in the scope of the work to be performed or equipment to be provided is agreed to by Service Provider, (b) the costs for the Services covered by the work order will include any expense incurred by Service Provider as a direct result of such amendment, alteration, or rescission of the work order, and (c) no amendment, alteration or rescission of a work order will release Company from liability for all costs already incurred or contracted for by Service Provider pursuant to the work order, regardless of whether the work associated with such costs has been completed.

4. Provision of Personnel.

4.1 Where specifically requested by Company, Service Provider may, in its sole discretion, loan its employees to Company. In that event, such loaned employees will be under the sole supervision and control of Company for such period or periods of time as are necessary to complete the work to be performed by such employees. Such employees may be withdrawn by Service Provider from tasks assigned by Company only with the consent of Company, which consent will not be unreasonably withheld in the event of a demonstrable emergency requiring the use of such employees in another capacity for Service Provider.

4.2 Company will be responsible for the actions and activities of all Service Provider employees while engaged in the performance of the work to the same degree as though such persons were employees of Company.

4.3 Notwithstanding Section 4.2, Service Provider, during periods when employees are loaned to Company, will continue to provide to such employees those same payroll, pension, savings, tax withholding, unemployment, bookkeeping, and other personnel support services then being utilized by Service Provider in connection with compensating and benefiting such employees.

5. Reimbursement. The Company agrees that it will reimburse Service Provider on demand for the Company's pro rata share of any draws made on or against any cash collateral, letters of credit or financial guarantees provided by Service Provider for the benefit of the Company, Southern Turner Renewable Energy, LLC ("STRE") or other affiliate of STRE, such pro rata share to be determined based on the Company's respective percentage ownership interest in STRE. The Company will make such reimbursement directly to Service Provider or cause such reimbursement to be made through STRE.

6. Term and Termination.

6.1 This Agreement is effective for an initial term of one year commencing on the Effective Date and, unless terminated as provided herein, will be extended automatically for an indefinite term.

6.2 Either Service Provider or Company may terminate this Agreement at any time for its convenience without charge or liability by giving one year prior written notice of termination to the other party.

6.3 Notwithstanding anything to the contrary elsewhere in this Agreement, each party, by and upon written notice to the other, may terminate this Agreement or suspend its further performance without terminating this Agreement if the other party:

(a) terminates or suspends doing business;

7. Limited Warranty.

7.1 Service Provider warrants that all Services performed by Service Provider under this Agreement will be performed in a professional and workmanlike manner in accordance with all applicable laws, rules, and regulations.

7.2 EXCEPT AS EXPRESSLY PROVIDED IN SECTION 7.1, SERVICE PROVIDER MAKES NO REPRESENTATIONS OR WARRANTIES WITH RESPECT TO THE SERVICES OF ANY KIND, NATURE OR DESCRIPTION, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND SERVICE PROVIDER HEREBY DISCLAIMS THE SAME.

7.3 Company's sole and exclusive remedy and Service Provider's entire liability for breach of the warranty set forth in Section 7.1 or for any other defect or nonconformance in the Services shall be to request, within the twelve month period following completion of the particular defective or nonconforming Service, correction or reperformance of such Service. If Company makes such a request, then Service Provider will use commercially reasonable efforts to promptly correct or reperform without charge any Service found actually to be defective or nonconforming.

8. Indemnification and Limitation of Liability.

8.1 Company agrees to indemnify, defend, and hold harmless Service Provider and its employees, officers, directors, partners, representatives or any such entity, from and against any and all third-party claims, damages, losses, liability, causes of action, judgments, costs, and expenses (including, without limitation, reasonable attorney's fees) asserted against or suffered by Service Provider arising out of or related to the performance of Services under this Agreement, except to the extent that such damages are caused directly or indirectly by the gross negligence or willful misconduct of Service Provider.

8.2 Service Provider agrees to indemnify, defend, and hold harmless Company and its employees, officers, directors, partners, representatives or any such entity, from and against any and all third-party claims, damages, losses, liability, causes of action, judgments, costs, and expenses (including, without limitation, reasonable attorney's fees) asserted or suffered by Company resulting from Service Provider's gross negligence or willful misconduct in the performance of Services under this Agreement.

8.4 In no event will either party be liable to the other for any incidental, consequential, punitive, or other special damages incurred by such party in connection with the provision of any Service hereunder, including.

8.5 The limitation of liability provisions contained in this Section 8 will not apply to either party's indemnification obligations under this Agreement.

8.6 The provisions of this Section 8 will survive any termination or expiration of this Agreement.

All notices permitted or required to be given under this Agreement will be in writing and will be deemed duly given upon personal delivery, by overnight courier or by electronic transmission to the address set forth below or to such other address as the receiving party may have designated by 10 days prior written notice given in accordance with this provision.
