Docket No. 55450

Order Approving Request for Financing Authority

IN RE: Application of Rayle EMC for Approval of Financing Authority

BY THE COMMISSION:

Rayle EMC filed a request on November 10, 2023, for financing authority relating to a new perpetual line of credit in the amount of $5,500,000 from CFC. The interest rate will be 7.25%, which is subject to change daily.

The purpose of the line of credit is to improve electric service and FTTH/Broadband service.

The Commission finds that in no instance shall any of the financing approved by the Commission via this application be used to make loans to a gas affiliate of the applicant, any other electric membership corporation, or any joint venture of an affiliate of any electric membership corporation that participates in natural gas marketing activities as contemplated by O.C.G.A. Section 46-4-150 et seq.

The Commission finds that Rayle EMC shall take all reasonable steps to prevent cross-subsidization between the electric services that it may provide at this time or in the future, and the natural gas services that it, any other electric membership corporation, or any joint venture of an affiliate of any electric membership corporation may offer.

The Commission finds that Rayle EMC will take all reasonable steps to reduce or eliminate any potential stranded costs.

The Commission finds that it has jurisdiction over this matter pursuant to Georgia Code Sections 46-2-28 and 46-3-12. The Commission also finds that the proposed loan is reasonable and falls within the spirit and intent of the above Code Sections.
