RE: Georgia Power Company's Rules and Regulations for Electric Service Update; Docket No. 44280

Dear Ms. Tanner:

In accordance with the Georgia Public Service Commission's ("Commission") Order Adopting Settlement Agreement in Docket No. 44280 ("2022 Rate Case Order"), Georgia Power Company ("Georgia Power" or the "Company") hereby files an update to Page 1.33 Section C "Retail Distribution Line Extension and Service Connection Regulations" of its Rules and Regulations for Electric Service. The revised rule became effective on January 1, 2024.

If you have any questions, please call me at 404-506-3044.

Sincerely,

/s/ Kelley Balkcom

GEORGIA POWER COMPANY

Rules and Regulations for Electric Service

C. RETAIL DISTRIBUTION LINE EXTENSION AND SERVICE CONNECTION REGULATIONS: (Continued)

10. The Company shall not be required to spend more than 3.5 times the estimated annual base rate revenue for providing residential service. Where the cost to serve does exceed this maximum expenditure, a payment in the amount of such excess will be obtained; and

    When underground residential distribution is desired or service requested in a designated underground distribution area:

    (a) The Company will install, own and maintain a 120/240 volt, single phase underground system including the service laterals.

    (b) The Company will obtain a payment amount of $1,200.00 in advance for each service point connection.
