Re: Telrite Corporation d/b/a Life Wireless; Docket 21955

Dear Ms. Tanner:

Effective March 1, 2024, Telrite Corporation d/b/a Life Wireless ("Company") has enhanced its wireless Lifeline plan in the State of Georgia as follows:

> Qualified new subscribers and existing subscribers will now receive Unlimited Voice Minutes, Unlimited Texts, 4.5 GB of Data and Unlimited MMS (Multimedia Messaging Service – MMS – enables the sending of messages with multimedia content). This plan exceeds the Federal Communications Commission's current minimum service standards.[1]

Subscribers can purchase additional data via their device, through the Company's customer service or on the Company's website at https://www.lifewireless.com/buypins.

Thank you for your assistance and please contact me if you have any questions.

Sincerely yours,

Susan J. Berlin
