RE: DOCKET NO. 45199

GREEN MOUNTAIN ENERGY COMPANY

CARBON OFFSET GEORGIA REPORT

Dear Ms. Tanner,

Pursuant to the Georgia Public Service Commission's December 6, 2023 Order approving Green Mountain Energy Company's Interim Certificate of Authority in Docket No. 45199 requiring all certificated natural gas marketers to file by March 31st of each year a Carbon Offset Georgia Report for the previous calendar year, Green Mountain Energy Company has not yet begun operations in the Atlanta Gas Light market and therefore has no carbon offsets to report for Calendar Year 2023.
