RE: Docket No. 36946 - Eligible Telecommunications Carrier Repository Docket – Assurance's response to Commission Staff's request

Dear Ms. Tanner:

In response to a request from the Commission Staff, Assurance Wireless USA, L.P. ("Assurance"),[1] a wholly-owned subsidiary of T-Mobile USA, Inc. ("T-Mobile"), is submitting herewith as an Attachment a list of the Georgia counties where the T-Mobile network that Assurance utilizes meets the 40% population threshold articulated by the Commission in its March 21, 2012 Order in Docket No. 32967. Assurance, through the T-Mobile network, meets the 40% population threshold in all 159 Georgia counties listed in the Attachment. As a result, Assurance seeks to offer Lifeline service statewide.

This filing is being made pursuant to the Commission's Alternative Electronic Filing Procedures ("Procedures"). An original electronic version of this letter and Attachment are included in the electronic filing. A hard copy version of this filing is being sent to the Commission today via overnight delivery, and the overnight package will include a copy of the Commission's email confirmation, as requested in the Procedures. Thank you for your assistance, and please call me if you should have any questions regarding this matter.

Sincerely,

ADAMS AND REESE LLP
