RE: Capacity and Energy Payments to Cogenerators Under PURPA;
Docket No. 4822

Dear Ms. Tanner:

Enclosed for filing are the RGP Bowman Site Control documents referenced in Georgia Power Company's Response to the Emergency Petition of RGP Bowman Solar, LLC for Extension of Time and Petition for Declaratory Ruling on Interconnection Costs for a Qualifying Facility ("Response") and inadvertently omitted from the May 28, 2024 filing of the Response. Please call me at (404) 885-3107 if you have any questions regarding this filing.

Best regards,

Matthew C. Daigle

Georgia Power Company

Re: Rural Green Power

Mr. Houser,
This is a letter to verify that Hart County is working with Rural Green Power to determine the best route possible for the distribution collector system connecting to the step-up transformer substation in Hart County. This is for the proposed RGP solar farm site on Highway 172 in Elbert County.

Respectfully,

Terrell Partain,
Hart County Administrator

RE: Rural Green Power

Mr. Houser,

This letter is to verify that Elbert County is working with Rural Green Power to determine the best route possible for the electrical line to transverse from their solar farm site on Highway 172 to the electrical substation.

Should you have any questions please call me directly at the number below.

Sincerely,

Allen Hulme
